

Warehouse Supervisor

ProLighting are seeking a highly motivated and organized individual to join our team as a Warehouse Supervisor. The ideal candidate will have experience within stills and film equipment, managing a warehouse team and ensuring efficient operations.

Responsibilities:

- Supervising and coordinating the daily activities of warehouse staff
- Ensuring all hire equipment sent out is complete and in full working order
- Ensuring compliance with safety regulations and company policies
- Developing and implementing systems to improve efficiency and productivity
- Managing and training new warehouse employees
- Communicating with other departments and management to ensure timely and accurate deliveries and collections

The ideal candidate should have:

- 2+ years of experience with handling stills and film lighting equipment
- 2+ years of experience in warehouse management
- Strong leadership and communication skills
- Excellent organizational and problem-solving abilities
- Knowledge of warehouse / inventory management systems

The right person for the role will be reliable and self-motivated whilst possessing excellent attention to detail and be capable of ensuring that tasks are completed to the highest standard. You should be willing to learn new skills and be able to work independently as well as part of a team.

The position is full time Monday – Friday, with a willingness to work weekends and overtime when required. We offer a competitive salary as well as opportunities for growth and advancement within the company.

Please email a short cover note and CV with the subject 'Warehouse Supervisor' to jobs@prolightinglondon.com

Please note that due to volume of applications only shortlisted applicants will be contacted for interview.

Lighting Warehouse Technicians & Drivers

We are currently looking for full-time Lighting Warehouse Technicians and Drivers to join our main lighting warehouse and logistics teams.

Main duties will include:

- Preparing and testing lighting and production equipment for hire
- Booking in and out procedures
- Loading and unloading vehicles
- Delivering and collecting rental equipment
- Day to day warehouse upkeep
- Electrical knowledge and the ability to perform basic electrical repairs is beneficial but not essential

Full training will be given and applicants can expect to gain a broad knowledge of industry leading lighting equipment and grip.

The right person for the role will be reliable and self-motivated whilst possessing excellent attention to detail and be capable of ensuring that tasks are completed to the highest standard. You should be willing to learn new skills and be able to work independently as well as part of a team.

Position available immediately, salary negotiable depending on experience. There will be overtime available regularly and the successful candidate will be willing to put in extra hours when required.

Driver applicants must be confident driving 3.5ton LWB vehicles in and around Central London.

Please email a short cover note and CV with the subject 'Lighting Warehouse Technician / Driver Application' to jobs@prolightinglondon.com

Please note that due to volume of applications only shortlisted applicants will be contacted for interview.

Account Handler (Photographic Equipment)

ProLighting are on the lookout for a full-time Account Handler (Photographic Equipment) to join their growing lighting & digital bookings team.

Our client base includes some of the world's leading brands, from tech giants to global fashion houses. You'd be liaising directly with producers, agents, photographers and their assistants to create bespoke lighting and camera packages that suit their needs.

We don't need you to have experience, although it would be welcomed. What we do want is talented and hardworking individuals who have a passion for the photographic world to join us, whether that be at an entry level or senior.

Desired Skills

- Experience in a similar setting within the industry.
- Working knowledge of motion camera systems and grip is desirable but not essential.

How to Apply

The position is available immediately with the starting salary negotiable depending on skills and previous experience. Please send a CV and a short cover letter to jobs@prolightinglondon.com, with subject 'Account Handler (Photographic Equipment)'

Please note that due to the volume of applications only successful applicants will be contacted.
